

Mr Gerald Santing - Managing Director, Markets

Gerald Santing joined the DFSA in June 2010 as Managing Director, Markets and has overall responsibility for the DFSA's regulation of NASDAQ Dubai, the Dubai Mercantile Exchange and other future exchanges that may receive authorisation to operate within the Dubai International Financial Centre.

Prior to becoming Managing Director, he was Managing Director of the Netherlands Authority for the Financial Markets, responsible for markets oversight. He was directly involved in the implementation of the Market Abuse Directive of MiFID in the Netherlands, and has been acting Commissioner of the Markets. He chaired the international regulatory task force that dealt with the approval procedures of the merger of NYSE and Euronext in 2006/2007.

Mr Santing was the Managing Partner Financial Advisory Services at Deloitte (2000- 2004), Board Member of Kamerbeek Group (1995-2000), CEO of the Mutual Insurance Company OLMA (1990-1995) and carried out several management positions at ABN AMRO (1975-1990).

Mr Santing has a degree in Economics from the University of Amsterdam.
